

## Michael Running Bear Bio:

Michael Running Bear is a spiritual counselor with over 30 years of experience helping people find creative, practical solutions for challenging life issues. He works with the tarot cards, spirit guides, natural quartz crystals and the Native American Indian Earth way. He is a gifted clairvoyant and empath and specializes in romantic relationships, as well as career and life transitions. He also works with energy cleaning and healing. His readings are specific, genuine and designed to assist you in understanding your current life situation and possible beneficial choices. His primary purpose is to assist people in finding their true path and potential and to walk “the beauty way” while dancing their dream awake.
