*Patti is a psychic-medium and “good” witch.* She has been able to communicate with the spirit world since she was a toddler and consciously since she conducted her first séance at age eight. Since then, she has conducted séances, clearings and sessions on radio, film, TV and living rooms, board rooms and conference rooms across America.

Patti was voted number one psychic, medium, trance medium, tarot reader, witch / magical practitioner and life coach in the world this year in an Internationally competition by Times Square Press. In addition, she also won number one Intuitive Entertainer Occult Personality of the year and number one Influential Women in Business. She has recently graced 6 magazine covers including American Psychic & Medium, Art, UFO and Supernatural, Parapsychology and Mind Power, 4<sup>th</sup> Dimension and Stars Illustrated; and has contributed or been a part of over 20 books, several of which are Amazon Bestsellers.

Patti enjoys working her magic on television. She has just completed her seventh episode of **Ghost Adventures** and their spinoff **Deadly Possessions** on the Travel Channel, cleared spaces on Jeff Lewis’s **Flipping Out**, done some magickal cooking on **Master Chef** with Gordon Ramsey, conjured up a few "dead celebrities" on **Private Chefs of Beverly Hills**, **Beverly Hills Pawn** and several episodes of **Pit Boss** and **Bad Girls Club**. Patti has been heard on national syndicated radio with **Adam Corolla**, **Jason Ellis** and **Mancow Muller**.

As a performer Patti has enjoyed numerous stage, film, and television roles, and has had the honor of working with Martin Sheen, Burt Reynolds, Jon Voight, John C. Riley, Ernie Hudson, Josh Duhamel, Chevy Chase and Sylvester Stallone to name a few. She has danced with Gregory Hines, choreographed for David Hasselhoff and entertained celebrities on scavenger hunts and toga mysteries across the Greek Islands. Patti’s working style is magical, loving and upbeat -- which creates a positive, safe and fun environment for you to learn, grow and heal. She has been practicing natural magick her entire life. Her specialty is in adjusting energy and flow – in people, spaces, situations, most anything. She works organically by creating spells and rituals that arrange natural elements to the rhythms and cycles of the universe to bring about healing, change our lives for the better, and create balance.

Patti is also available for corporate events and parties for one-on-one readings, group gallery style readings. She is also available for workshops, teaching, motivational and speaking engagements as well as media, television and radio. Patti is based in Los Angeles, but travels worldwide.

Sessions can include: tarot, intuitive reading, channeling, journey work, coaching, empowerment training, past life work, energy balancing, spell working and whatever is needed to best serve your needs.
